INDIA MOVING TOWARDS SELF-RELIANCE

Opening up closed avenues for private sector for better facilitation to industry

41 coal mining blocks to be auctioned

The initiative will help India substitute 135 MT of coal imports

Will induce employment for 2.8 lakh people

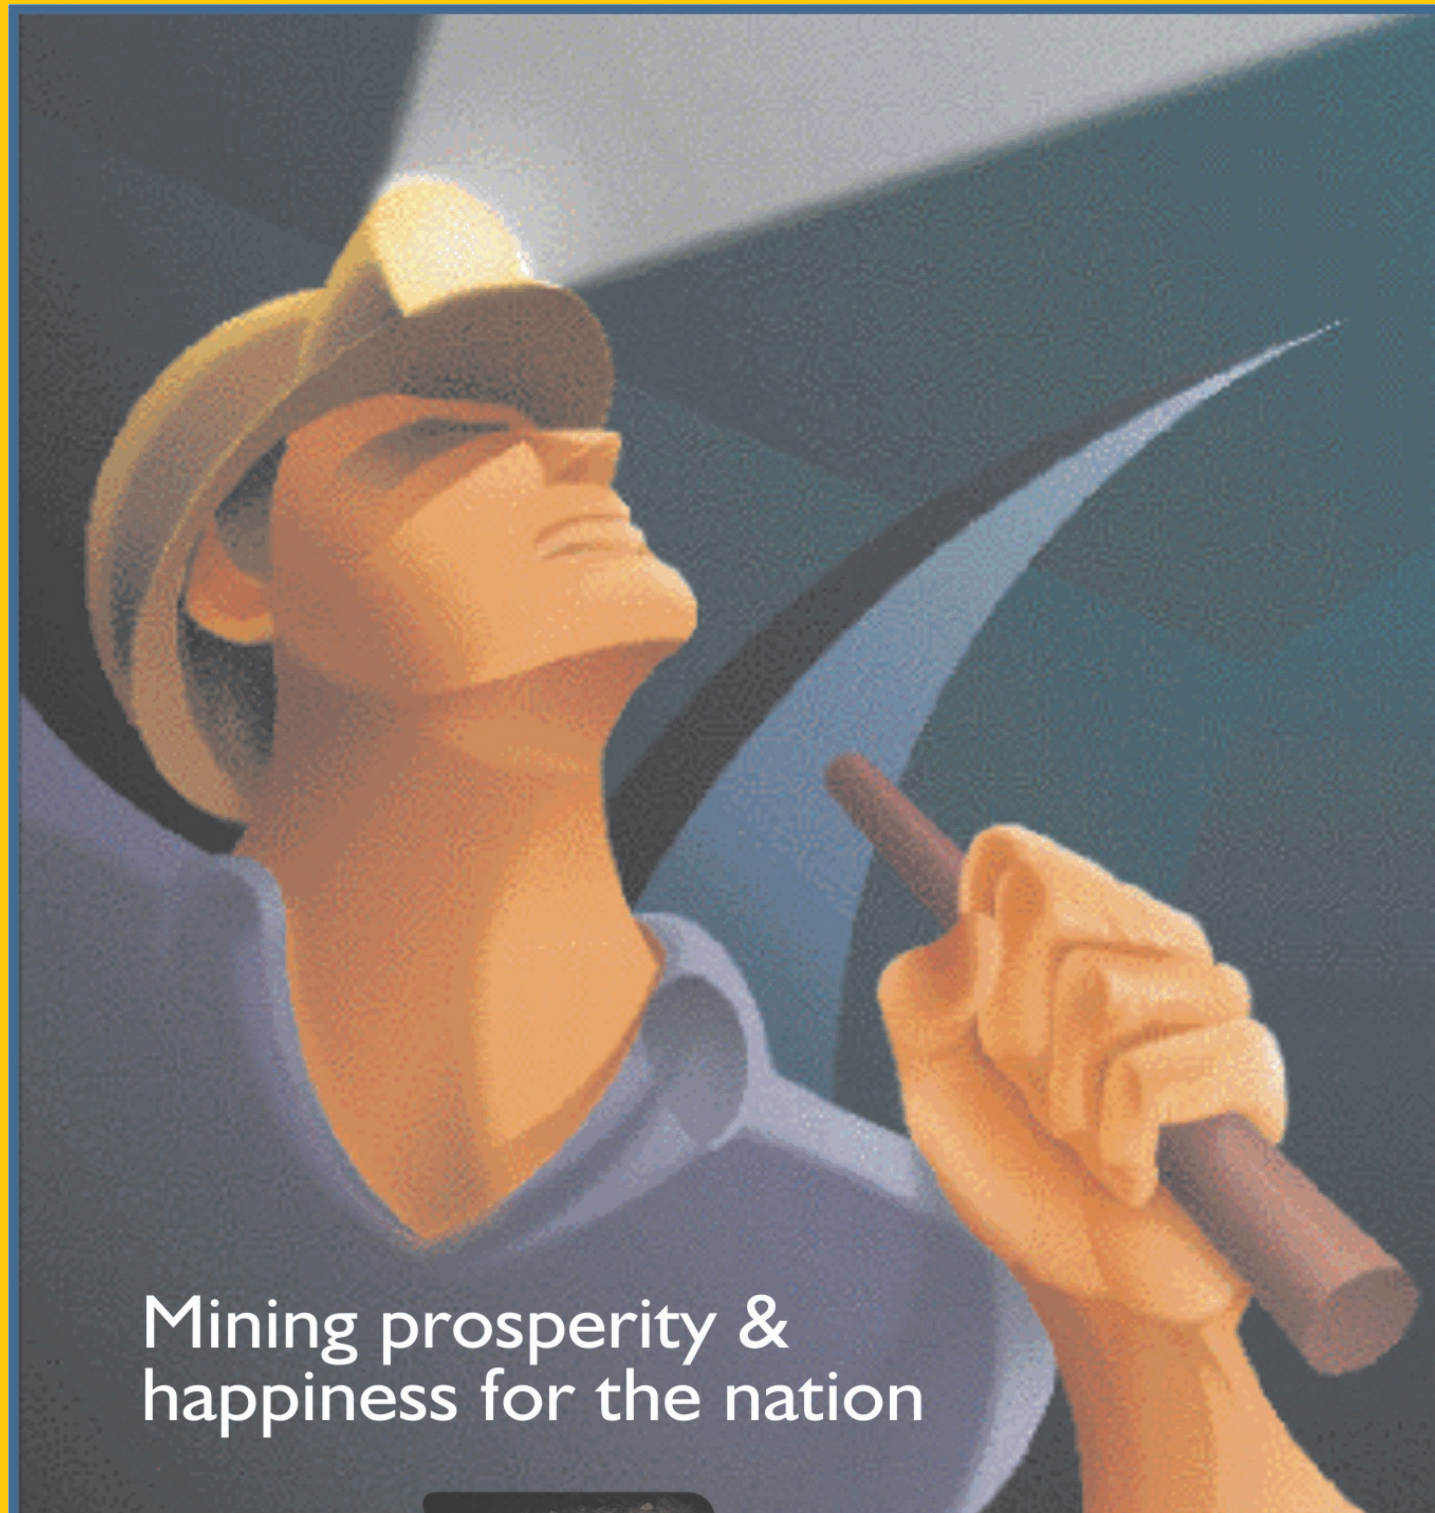

These mines can potentially contribute 15% of India's projected coal production in 2025-26

Expected to generate **Rs 33,000 crore** worth capital investment over the next 5-7 years and contribute **Rs 20,000 crore** annually to state governments

NMDC: 60 years of excellence

Going for
NMDC
DIAMOND

NMDC has triumphantly entered the Diamond Jubilee year with a string of laudable achievements. The company's remarkable growth in these six decades is a testament to its strong fundamentals.

- One of the best performing Navratna PSEs of the country.
- The single largest and low cost producer of iron ore in India.
- Contributing in social and economic development in association with both State and Central Governments.
- Sole producer of diamonds in India.
- Venturing into steel by commissioning 3.0 MTPA Steel Plant at Nagarnar, Chhattisgarh

Celebrating its Diamond Jubilee year with immense pride, NMDC re-dedicates itself with a fresh zeal and renewed enthusiasm, energy and strategy to achieve greater heights in delivering value for all its stakeholders.
